This inventory, No. 176, lists the plant material (Nos. 324308 to 338613) received by the New Crops Research Branch, Crops Research Division, Agricultural Research Service during the period from January 1 to December 31, 1968. The inventory is a historical record of plant material introduced for Department and other specialists and is not to be considered as a list of plant material for distribution.

The species names used are those under which the plant material was received. These have been corrected only for spelling, authorities, and obvious synonymy. Questions related to the names published in the inventory and obvious errors should be directed to the author. If misidentification is apparent, please submit an herbarium specimen with flowers and fruit for reidentification.
